OUR TWIN PARISH REMEXIO EAST TIMOR : Trouble with their Church : During Sr Josephine Mitchell's presentation at all Masses last week concerning our twin parish of Remexio, it was mentioned that they are faced with the problem of the roof of their Church sagging to the point of becoming dangerous.

In response to this, I was wondering about the possibility that next Lent, in place of Project Compassion, we put our Lenten effort into raising finance to help with this project. I have mentioned this to the Social Justice Group, and to Erin Macdonald, our School Principal, and will bring it up to the Parish Leadership Council. *More of this later.*
