SAFEGUARDING CHILDREN

The eSafety Commissioner has recently published a free e-book resource 'Online safety for grandparents and carers' which provides advice about online safety issues that children and young people may experience. This resource provides "key advice about online safety issues that can affect children and young people" including practical tips to help grandparents and carers to talk about these issues with children and young people and manage them. Helpful topics include: setting up devices safely; managing time online; preventing unsafe contact from strangers as well as a guide to some of the most popular sites and apps.

SACRED HEART CHURCH **GUIDE TO ITS ART & ARCHITECTURE IS NOW AVAILABLE**

An illustrated booklet is now available describing the design intent of the spaces, artworks and objects used in the Sacred Heart church and suggesting possible reflections about them. Good church artworks and design matter because they crystallise our thoughts, communicate our beliefs, stimulate contemplation and, like liturgy, provide an entry point for our relationship with a loving God.

The booklet has been assembled over the last five months by the artists, writers and building managers in our parish. It can be viewed on the parish website or purchased as a high-resolution colour booklet on art-quality paper from the Parish Office. Proceeds from a voluntary donation of say \$10 per copy of the booklet will go to the Sacred Heart Social Justice Group for use in their works in Timor Leste, indigenous and other communities.

Supporting our Parish and Priests

During this COVID-19 pandemic, we have all been severely impacted and our masses and sacraments have stopped. Many parishioners have not been able to attend a mass since late March – nearly seven months. However, Parish bills still need to be paid and the upkeep of our Priests need to be funded.

As you are no doubt aware, the first collection at mass -the Presbytery offering - goes to the upkeep of our Priests, including the payment of their stipends. The second Planned Giving collection supports the Parish in all of its activities.

Since the start of this year, the Planned Giving collection has received about half its usual amount, mainly due to the established direct debit arrangements with many Parishioners, but the Parish's bills have continued. As a result, we are forecasting to incur a modest loss this calendar year. Thank you to all those Parishioners who have contributed during this COVID-19 time.

In contrast, the Presbytery Offering has received very little over the past seven months with the bank account now containing insufficient money to support our Priests over coming months while Church services are severely restricted.

If you would like to contribute to the upkeep of our Priests and/or Planned Giving via direct debit options on a one-off or ongoing basis, can you please contact Adrian Power or Maureen Mutimer at the Sacred Heart Parish Office by email Sandringham@cam.org.au
