

INTERESTED IN BECOMING A CATHOLIC?

Each year we have a process (called the Catechumenate) during which those interested in becoming Catholics (or just finding out what it really means to be a follower of Jesus), attend a series of meetings which last for 12 to 15 months.

The meetings are fortnightly, excluding school holidays.

The Catechumenate culminates at Easter when those desiring to do so are baptized or if already baptized are received into the Catholic Church.

There is a group of parishioners who act as companions along the way for those participating in the Catechumenate.

Anyone interested, should contact Fr Frank
