The first creative collation of stories from Melbourne's soup vans and drop in centres & the vibrant history and the incredible community that surrounds them.

This history spans decades, showing what really goes on in the centre of our 'most liveable city'.

'***Soup Van: Stories over a polystyrene cup***' is the collective voice of 'vannies' and 'streeties', the unique and unseen community that exists in and around Melbourne's refuges, low income houses and commission flats.

*It will make a meaningful and ideal Christmas present.*
