RESULTS OF PARISH SURVEY :

The Parish Leadership Group looked at the sheets handed in as part of the Parish survey conducted in December last year. There were 54 response sheets representing 83 people.

Regarding Mass times, 41 people wanted Mass times to remain as they are.

The suggested alternatives were so varied as not to provide solid convenient alternatives. There were several other suggestions with significant support that the Leadership team will follow up on :

Hearing Aid Loops; height adjustable seats, cushions for pews, adjustment of the microphone used by the priest. There were other suggestions which had very small (one or two) proponents. These were looked at but were often practically impossible.

CELIAC : For anyone who requires bread with minimal wheat content for the Eucharist, there is a supply of such breads kept in the Sacristy.

TUESDAY MASS TIME :

Please note : Mass this coming Tuesday, February 26th, will be at **12 noon!**
