FRIENDS OF MERCY FERNHILL:

Mercy Health held a regular two-monthly meeting last week with parishioners who are the Friends of Fernhill. They advise that the project is on schedule and expected to be available for residents around the start of 2015.

Following Bayside Council's change to planning requirements for the area in which the Aged Care Facility is being built, Mercy are expecting a VCAT decision in August on an additional set-back fourth floor to increase accommodation to 120 residents.

The Sacred Heart Parish continues to support this much needed project that continues Fernhill's near 40-year care for our local elderly.

Parishioners, friends or families wishing to apply for an aged care room at Mercy Place Fernhill can contact *Danielle Biviano at Mercy Health on 8416 7830.*

Our Parish is taking part in Catholic Parish Identity Research

During the month of July our parish will be involved in a special research project looking into how parishioners see their parish today. Father Brendan Reed, Parish Priest of Deepdene and Balwyn is undertaking this research through the Catholic University Leuven (Belgium). Every parishioner over 16 years old will be invited to complete three surveys indicating their views about parish life and their hopes for the future. Your views are extremely important in understanding how our parish is going and what plans should be made for the future. Today you are asked to consider giving **40 minutes** of your time to complete the surveys. All surveys are completely anonymous and your honest responses are welcomed. To participate please go the website www.kuleuven.be/thomas/spes and complete the survey. You will need to choose your parish name and then answer the questions. The website will be open for the next few weeks. We are looking for at least 50 respondents from our Parish and as many as possible!
