Our Parish is taking part in Catholic Parish Identity Research

During the month of July our parish will be involved in a special research project looking into how parishioners see their parish today. Father Brendan Reed, Parish Priest of Deepdene and Balwyn is undertaking this research through the Catholic University Leuven (Belgium). Every parishioner over 16 years old will be invited to complete three surveys indicating their views about parish life and their hopes for the future. Your views are extremely important in understanding how our parish is going and what plans should be made for the future. Today you are asked to consider giving **40 minutes** of your time to complete the surveys. All surveys are completely anonymous and your honest responses are welcomed. To participate please go the website www.kuleuven.be/thomas/spes and complete the survey. You will need to choose your parish name and then answer the questions. The website will be open for the next few weeks. We are looking for at least 50 respondents from our Parish and as many as possible!
