FERNHILL RD NORTH CLOSED FOR PUBLIC PARKING :

Mercy Health advises that public car parking will not be permitted in Fernhill Rd North, between Bay and Sandringham Rds, **from Saturday 10 August**, when a tower crane is installed on the Mercy Place Fernhill construction site weather permitting.

A no-standing zone along both sides of Fernhill Rd North is expected to remain in place for about six months. We apologise for the inconvenience caused to the community during this period.

While the crane is in place, the Fernhill Rd North footpath will remain open with a covered gantry to protect pedestrians alongside the construction site. The road itself will also remain open to through traffic although delays are expected.

Mercy Health has also instructed site management to minimise the number of trucks waiting to access the site at any one time and a traffic controller will be in place to safely manage through traffic in Fernhill Rd North and construction traffic entering or exiting the site.

For queries or further information, please contact Mercy Place Fernhill Community Relations Officer, Mandy Frostick, on tel 0419546245 or via email at MFrostick@mercy.com.au

ASYLUM SEEKER ACTION

The issue of asylum seekers has become more apparent in recent weeks with changes in government policy aimed at addressing the problem raising concerns for many people about the treatment of asylum seekers. If you would like to add your voice to protest about this treatment, you could attend a rally in the city on 24 August at 1pm or sign a petition which will be available in the church foyer from next weekend. You could also email or send a letter to the local candidates in the election.
