Ticket prices are a gold coin donation that will go towards raising money to facilitate schools in Bangladesh for up to 300 children. *See Notice in foyer.*

**THE PARISH COLLECTIONS :** Parishioners often ask where the money from each collection goes.....

- *The first collection* – the Presbytery collection (typically \$700 per week) – is for the upkeep of the clergy. Five per cent goes to the bishop and 25 per cent goes to the priests' remuneration fund (this is an equalization fund so that priests in poorer parishes get a minimum income). Vehicle costs, food and other costs in the Presbytery are met and what remains in the account at the end of each quarter becomes the parish priest's stipend.
- *The second collection* – the Sacrificial offering (averaging \$3000 per week) – is for the upkeep of the parish and occurs through the envelope system. The expenses this collection covers include a school building fund contribution, church loan repayments, liturgy and pastoral expenses, charitable donations, diocesan levies, wages of parish staff and the other general costs of the parish such as insurance, church requisites, building maintenance, cleaning and gardening, gas, electricity and telephone.

As parishioners come and go it is difficult to keep the sacrificial giving envelope system up to date. After masses today **Saturday 26 September and Sunday 27 September**, a member of the Parish Finance Committee will have cards available for new parishioners who may wish to contribute to planned giving – through regular payments in the envelopes or periodic credit card or cheque payments – or current parishioners who may wish to increase their pledges.

**SCRIPTURES PASSAGES for PRAYER :** The group who did the weeks on "Developing Our Prayer" asked for some scripture passages to pray over. The following are some suggestions :-
