WANTED: iPods and MP3 players

Science has proven that people suffering a wide range of cognitive and physical challenges find reconnection in their lives when exposed to music which is meaningful to them.

As part of Dementia Awareness month, Music and The Brain Foundation is collecting and recycling preloved iPods and MP3 players (no headphones please).

These devices will be cleaned, reset and made available to both home carers and care facilities in the Bayside community.

If you have a device you no longer use and would like to donate please contact Monica Cashin on 0417 216 187 or leave your device at the Hampton Pharmacy (beside Bakers Delight) in Hampton Street.
