ASYLUM SEEKER SUPPORT

Recent events highlighting the plight of many asylum seekers and refugees provide an opportunity to put pressure on the government to change their policies in regard to these vulnerable people.

Change will not happen unless ordinary people, like us, speak up.

- ◇ To voice your support for refugees and asylum seekers you could :

Sign the **"Let Them Stay"** petition to pressure the government to let the refugees who are being threatened with return to Nauru stay in Australia.
