When we receive a request for prayers, that person will be on the list for 4 weeks, unless specifically requested to be on the long term sick list, in which case they will be on a rotation of those for whom we pray monthly.

If someone is seriously ill, they can stay on the weekly list, but this needs to be clearly specified.

ASYLUM SEEKERS: BISHOPS SUPPORT "BRING THEM HERE"

Pope Francis has called on all Catholics to welcome these vulnerable people as our brothers and sisters. The Australian Catholic Bishops Conference made the bold step of officially calling on the Federal government to end the crises on Manus Island and Nauru by immediately closing the detention centers and bringing the 1,233 people seeking asylum there to Australia for processing and resettlement. Additionally, the Bishops offered a full range of support for the 1,233 people from the Catholic Church, including housing, education, health and social services and friendship.

Recent reports by Amnesty International and Four Corners have again reiterated the horrific conditions on Nauru and Manus Island, especially for children. In response to these revelations, CAPSA released a statement echoing the call by Amnesty International for the "Government of Australia to immediately close down the Nauru processing operation and to bring all asylum-seekers and refugees in Nauru to Australia". Just this week, we heard of a proposed ban on those on Nauru and Manus Island ever being able to visit Australia under any circumstances.

It is time for all Australians to let the government know that we object to the cruel and inhumane treatment of those who have sought a safer life in Australia. For further information: CAPSA.org.au *Social Justice Group*
