SOCIAL JUSTICE GROUP REPORT FOR 2016

The Sacred Heart Parish SJG is committed to raising awareness of social justice issues and providing practical assistance in social justice areas.

We have produced a report which provides a summary of the priorities, activities and achievements of the Group in 2016.

The report is available at all Masses this weekend and next.

We are very appreciative of the support of the parish and the school in helping those who are less fortunate than ourselves.
