A FAITH TO WARM OUR HEARTS

Christmas reminds us that a faith that does not trouble us is a troubled faith. A faith that does not make us grow is a faith that needs to grow. A faith that does not raise questions is a faith that has to be questioned. A faith that does not rouse us is a faith that needs to be roused. A faith that does not shake us is a faith that needs to be shaken. Indeed a faith that is only intellectual or lukewarm is only a notion of faith. It can become real once it touches our heart, our soul, our spirit, our whole being. Once it allows God to be born and reborn, in the manger of our heart.

Pope Francis, Christmas 2017

PLENARY COUNCIL:

In 2020 there will be a Plenary Council of the whole Australian Church to take account of the Church's situation today and to look to the future.

Pentecost Sunday was chosen as the day to launch the Plenary Council.

Representatives for each diocese have been appointed to begin the process, along with a facilitating team led by Fr Noel Connolly, a Columban father.

We pray that this initiative may indeed 'bite the bullet'.

The website for the Plenary Council is :
