APPEAL for CLEANING PRODUCTS

Many thanks to all who so generously supported our appeal for cleaning products to assist asylum seekers through the Brigidine Asylum Seeker Project. Over thirty supermarket bags of various products were donated, as well as buckets, clothes baskets and brushes. In addition, \$260 cash was received. These goods and donations will be delivered to BASP next week for distribution to those who are most in need. Thank you again, most sincerely.

PROGRESS OF PLENARY COUNCIL:

The Parish Leadership Group was recently updated on the progress of the Plenary Council by Judy Lamb, who has attended several input sessions on the developments towards the Plenary Council.

The present period—since our first discussion groups—have been one of gathering and sorting out the many submissions that have been received. This has been sorted into six themes:

- (1) Missionary and evangelizing
- (2) Inclusive, participatory and synodal
- (3) Prayerful and eucharistic
- (4) Humble, healing and merciful
- (5) A joyful hope-filled and serving community
- (6) Open to conversation, renewal and reform.

The next lot of discussions on the above themes will take place here in the Parish in late February and early March 2020.

There are sheets available in the foyer delineating further these six themes.

The Knights of the Southern Cross are sponsoring an information morning presented by Advanced Care Planning Australia (ACPA). It is a national program funded by the Australian Government Department of Health, enabling Australians to make the best choices for their life and health care that encourages people to reflect on their current and future health goals, values and beliefs.

The presentation is free. Monday September 30th 11am to 12 noon.
