REMEXIO DONATIONS

Normally we have a raffle for our twin parish, Remexio, in Timor Leste, coinciding with the Feast of the Sacred Heart and our annual dinner. Due to Covid-19 restrictions we have not been able to conduct the raffle this year.

We are still supporting education initiatives in Remexo, including salaries to volunteer teachers and scholarships for tertiary students.

If anyone would like to make a contribution to ensure the funding for these initiatives continues, your support would be most welcome.

Envelopes for donations have been provided in the church foyer and at the parish office. Envelopes with contributions must be returned to the parish office, or handed directly to Fr Frank after Mass.

Many thanks for your ongoing generosity to the people of Remexio.

NAIDOC WEEK

NAIDOC week is usually celebrated for a week from the first Sunday in July and was scheduled from July 5 to 12 this year. Because of concerns about gatherings of people to mark this event, it has been postponed to November 8 to 15. The theme is "Always was. Always will be".

Further details will be published closer to the date.

NEW PROJECTOR IN THE CHURCH:

Many parishioners will be pleased to hear that we have installed a new projector in the Church which will improve the clarity of the words projected onto the screen.

THANK YOU:

Maureen, Kate, Henry - and the whole Mutimer family would like to sincerely thank the Sacred Heart Community for their prayers, cards, flowers and support throughout Paul's illness and especially at the time of his death.

The tribute paid to Paul with the guard of honour along Sandringham Road after the funeral was so moving and we were overwhelmed by your support. This, along with the ongoing support from many people in the community is something we will always hold dear.

Any additional information will be given on the Website and placed on the white board at the front of the Church.

If anyone is ill, please do not hesitate to call Fr Frank (9598 1511)

If a funeral is required, again please contact Fr Frank to make arrangements (9598 1511).

If anyone wishes to go to Confession, please call Fr Frank to make an appointment (9598 1511)

EUCCHARISTIC MINISTERS

Every morsel of bread is the product and the result of an entire history. First, in the season for planting the grains of wheat are thrown into the bosom of the earth, which is a fertile mother, and after an apparent death and time of gestation or germination, we, marvelling, see a blade grow. Thus the symbolism of bread implies in the first place the image of death and resurrection in the bosom of the earth, and it is understandable that in several mystery cults the history of the grain of wheat was considered a symbol of human history. Subsequently the grain, carefully harvested, is crushed, ground, almost annihilated; countless grains are pulverized and mingled to make flour, which, thanks to human work and the action of fire, finally becomes bread

Bread is much more than an element of nourishment: It is a symbol of work and a symbol of life and, when shared, it is charged with familial and social values.

Like bread, wine is the product of a long and careful preparation. Before tasting wine we must plant the vine, prune it, harvest the grapes, put them under the press, much as we ground the wheat grain, let the juice ferment, and finally age the wine. Wine is made by human beings, exclusively for human use.

Wine gives vigour and vitality. Because of its red colour, and because it springs forth from the cluster of grapes, it is often associated with blood, and this association was adopted by Christ in the eucharist. Wine is regarded as a beverage of life and immortality. . . .
