CATHOLIC CARE are offering a pre marriage programme in the comfort of your own home. Whilst it is a tricky time to be planning a wedding, couples are encouraged to see pre-marriage education as a gift to their relationship. FOCCUS couples are really appreciating the chance to go deeper into their relationship to prepare not only for their wedding day, but for their marriage.

Couples will find booking and payment details for remote FOCCUS on

CARE CALLS

Over the past few weeks, members of the Social Justice Group and other volunteers have been making phone contact with parishioners who may be isolated or lonely, to assure them that they have not been forgotten by the parish. All of us are missing attending Mass and interacting with others in our Sacred Heart community.

Some parishioners have support from family, friends or neighbours but all those we phoned appreciated a friendly chat.

If you would like someone to contact you, please let us know.

Ring Judy on 0419 311 255 or email judith@jml.net.au

Gracious God, We give thanks anew for your providence and presence. We prayerfully seek your grace, amidst COVID-19 here and overseas. We pray for those in need of healing. We pray for your peace with those who are anxious or grieving. We pray you will continue to strengthen and sustain all those who are serving in response. We pray for your Holy Spirit's discernment amidst the many choices and decisions facing our national, community and medical leaders. We pray we each might see quickly what more we can do to help those who are vulnerable. This prayer for our nation in the family of nations, with all that is on our hearts, we gather now and pray through Jesus Christ our Lord. Amen.

As a small way of being spiritually united as members of the Bayside Mission, we are suggesting that each family or household might pray this prayer each Wednesday night.

As we do this, we unite ourselves spiritually with our fellow parishioners, and all people of goodwill, in our communities as we pray for each other.
