**Supporting our Parish and Priests**

During this COVID-19 pandemic, we have all been severely impacted and our masses and sacraments have stopped. Many parishioners have not been able to attend a mass since late March – nearly seven months. However, Parish bills still need to be paid and the upkeep of our Priests need to be funded.

As you are no doubt aware, the first collection at mass -the Presbytery offering - goes to the upkeep of our Priests, including the payment of their stipends. The second Planned Giving collection supports the Parish in all of its activities.

Since the start of this year, the Planned Giving collection has received about half its usual amount, mainly due to the established direct debit arrangements with many Parishioners, but the Parish's bills have continued. As a result, we are forecasting to incur a modest loss this calendar year. Thank you to all those Parishioners who have contributed during this COVID-19 time.

In contrast, the Presbytery Offering has received very little over the past seven months with the bank account now containing insufficient money to support our Priests over coming months while Church services are severely restricted.

If you would like to contribute to the upkeep of our Priests and/or Planned Giving via direct debit options on a one-off or ongoing basis, can you please contact Adrian Power or Maureen Mutimer at the Sacred Heart Parish Office by email [Sandringham@cam.org.au](mailto:Sandringham@cam.org.au)
