Thank you for your support which has, over the years, made it possible to fund many projects for disadvantaged people in Papua New Guinea, Peru, West Africa, Pakistan, Palestine and the many Islands in the Pacific. Some \$200,000 has been provided in clean water, health, education and improved living stands to people who would not otherwise have had this opportunity over the last year. This is especially in the areas of MOM activity, where the effect of the pandemic has been devastating.

St Joan of Arc Centenary 2021

Inkwells, School Milk, Wooden Desks, Penny Tables and The Angelis

To enrich our centenary celebrations, we are calling on former pupils of St Joan of Arc to recall memories of their schooldays which we will share with today's students. I am sure our current students will be fascinated by the comparisons with school-life as it is today. Your memoirs might include the role of the Presentation Sisters, class sizes, wooden desks and floors, discipline, religious instruction, uniform, sports and recreation, heating/cooling etc. Actually, whatever you wish to share - this is the stuff of real history!

Please send your memoirs by mid-January to: sja100years@gmail.com

Can You Help?

Centenary celebration preparations are well underway, with lots of exciting events planned! Help is needed for some small projects in the new year such as Mass booklets and advertising board design. If you are interested or know someone who can help, please email sja100years@gmail.com

CATECHISM CORNER

St. John the Baptist is the Lord's immediate precursor or forerunner, sent to prepare his way. "Prophet of the Most High", John surpasses all the prophets, of whom he is the last. He inaugurates the Gospel, already from his mother's womb welcomes the coming of Christ, and rejoices in being "the friend of the bridegroom", whom he points out as "the Lamb of God, who takes away the sin of the world" (CCC 523)
